

# BENJAMÍN BRICEÑO ELCHIVER

+56 9 6597 9431 ◇ benjaminbriceno@ug.uchile.cl ◇ github: @Benbriel

## EDUCATION

---

Colegio Alemán de Concepción, Concepción

*March 2016 - May 2018*

Bilingual Diploma

*International Baccalaureate*

Universidad de Chile, Santiago

*March 2019 - Present*

Physics Degree

*Physics Department - Faculty of Physical and Mathematical Sciences*

## LANGUAGES

---

- English fluent speaker (B2 certified)
- Spanish native speaker
- German fluent speaker (B2-C1 certified)

## WORK EXPERIENCE

---

Laboratory Assistant.

*March 2022 - Present*

Graphene field-effect transistor characterization

*Physics Department - Faculty of Physical and Mathematical Sciences*

I am currently working on analyzing measurements to characterize GFETs and their performance under different conditions.

Grading Assistant.

*August 2022 - December 2022*

Numerical Methods for Physics

*Physics Department - Faculty of Physical and Mathematical Sciences*

## TEACHING EXPERIENCE

---

Private lessons to University students.

*2021-Present*

I have mainly taught physics.

## SKILLS

---

Software

Programming Languages

Operating Systems

Interpersonal Skills

MATLAB, Office, LTSpice, Fusion 360, Mathematica

Python.

Linux, Windows.

Good team-working and problem solving, active listener and positive attitude.

## REFERENCES

---

Ph. D. Diana Dulic

Associate Professor

*Physics Department, Universidad de Chile.*
